

2022 SSA Annual Meeting Travel Grant Application

DEADLINE: 30 November 2021, 5:00 p.m. Pacific

Travel grants cover the cost of meeting registration and all applicants may request funding to support childcare (up to \$500) so that they may attend the virtual meeting.

For the 2022 Annual Meeting, SSA offers the following Annual Meeting travel grants:

- Student Travel Grants are available to SSA student members from inside or outside the USA who must travel more than 500 km (311 miles) to attend the meeting.
- International Travel Grants are available to SSA members who are not students and who must travel from outside the US to attend the SSA meeting.
- ESC/SSA Travel Grants are available to anyone traveling from a member-state of the European Seismological Commission. This grant is provided under a cooperative agreement between SSA and ESC.
- Early-Career Grants are available to early-career members who have been members in good standing for at least one year.

All applicants will be asked to submit an applicant essay, a draft itinerary and an abstract as first author. All travel grant recipients must present their work in either an oral or poster session at the meeting. Only one application per institution may be awarded.

Letters of Support: Student applicants must have a faculty advisor submit a one-to-two paragraph letter of support to ssagrants@seismosoc.org by 30 November 2021. Early-Career applicants must submit a one-to-two paragraph letter of support from a supervisor to ssagrants@seismosoc.org by 30 November 2021.

400 Evelyn Avenue, Suite 201

Abstract Information

Abstract:

All grant recipients must submit a first-authored abstract and present their work in either an oral or poster session at the meeting. If selected for a travel grant, recipients must still submit their abstracts through the abstract submission form open from 8 November 2021 to 12 January 2022 at 5 p.m. Pacific.

Abstract Title: *

This is My Abstract Title

Abstract Authors Information (Author 1 Name, Institution, Country (Email); Author 2 Name, Institution, Country (Email)... etc.) *

Applicant Name, University of Applicant (ssagrants@seismosoc.org); Lila Cerullo, Sample State University (ssagrants@seismosoc.org); Emma Rouault, Sample College (abstracts@seismosoc.org)

Abstract Description (Maximum length 2,000 characters including spaces): *

Abstract description submitted to conference here.

Applicant Statements:

Answer the following questions in short answer form.

Why should you be selected for a travel grant? *

There are a number of reasons why I believe I should be selected for a travel grant to the Annual Meeting.

I presented my research at another conference last year. This was a tremendous boon to my research, as I gained a great number of new insights from seasoned professionals in the field. I hope to share my work with a wider audience to receive more feedback and collaborate with colleagues.

I would like to learn about new research. I would like to attend the workshop titled "Sample" to learn about the new mechanism that is related to my research. Additionally, I see that there is a session on the Gorda Segment of the Cascadia Subduction Zone, which is directly related to my research. I would be grateful to attend this session and hear talks by speakers that directly impact my work.

I would also like meet and collaborate with other attendees. I would like to receive feedback on my research and help others by giving feedback on their research.

Are you applying for additional funding to support childcare (up to \$500)? If yes, please include your estimated childcare funds in the subsequent question.

Yes

No

What are the estimated funds you will need to attend the Annual Meeting? (For instance, registration costs and childcare). Since registration fees have not yet been announced, please just list "SSA registration fees" below. *

Estimated Costs: Total: \$1,500 Plane Tickets: \$562.50 Conference Fee: \$235 Accommodations: \$502.50 Meals: \$200

Are there any funds being provided to you by other sources? If so, please identify the source(s) and amounts: *

Yes. \$200 from my university.

Please describe your need: *

My university can only provide a small amount of funds to help me attend this conference (\$200). I am a graduate student in an expensive city, which does not offer much opportunity for me to save up to attend conferences. If I do not receive additional funds, I will not be able to attend the SSA Annual Meeting.

Additional Information

STUDENTS and EARLY-CAREER Applicants: Letter of Support

Please note: All students applying must have a faculty advisor submit a one-to-two paragraph letter of support. All Early-Career applicants must have a supervisor submit a one-to-two paragraph letter of support. All letters should be sent to ssagrants@seismosoc.org. The deadline for letters is also 30 November 2021, 5:00 p.m. Pacific.
